

Queenslands Favourite

SNAKE AND REPTILE SHOW

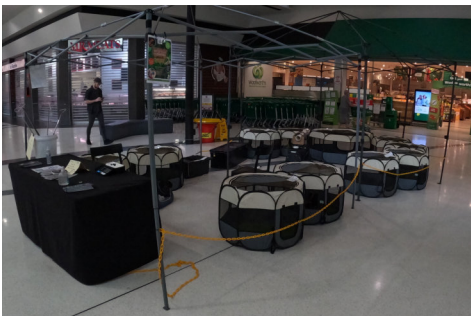

Introducing our **NEW**

Reptile Zoo

Specifically designed

- to keep traffic flowing
- to display even more reptiles at any one time
- to be a constant source of entertainment during the day and not just at “performance” times
- to keep noise to others at a minimum
- with no set performance times so people can come and go at their leisure
- opening hours with a specialist on site between 9 am and 3 pm minimum

Description

- Minimum 10 reptiles on display at any one time
- Species may change during the day, or daily
- 2 wet tanks minimum
- Space required 10 x 5.5 meters

Contact us for pricing

(depending on location *see NOTE below)

Layout options available depending on space.

A selection of the favourite non-venomous reptiles are on display

- Skinks
- Dragons
- Monitors
- Pythons
- Turtles
- Crocodiles

RESTA can implement “entry” and “exit” points to reduce crowding and to keep traffic flowing through the display if required.

* Space, water and power access requirements apply to all of our displays. Please contact RESTA to discuss so that we may best assist you.

NOTE: A small additional fee for travel over 1000 kms may be added. Please contact us for your individualized quote.
